

**IMPORTANT ANNOUNCEMENT  
concerning SAM Medical suction units**

**UK exclusive distribution agreement**

**Abbey Surgical announces that, with effect from 1<sup>st</sup> June 2009, they will no longer be distributing the MGE (“SAM”) range and that GBUK Healthcare will be the sole UK distributor for the MGE (“SAM”) range of electric suction machines, filters and spare parts.**

**Abbey Surgical and GBUK Healthcare are working together to ensure a smooth transition for all new and existing customers. GBUK Healthcare will continue to support all existing Abbey Surgical customer warranty programmes.**

GBUK Healthcare customers will be aware that GBUK already supply the MGE range of products but this expansion to the service will allow them to offer an even faster turn-round of orders from a larger stock holding.

GBUK Healthcare offers a complete range of suction products including “TenderTip” suction catheters, “Caretip” open suction catheters and the “Serres” disposable suction liner system – thus meeting all your suction needs.

MGE are a British engineering company and a leading manufacturer of medical Suction equipment in the UK. This is a result of their quality, reliability and durability proven over the 60 Years supplying suction pumps both in the UK market and the rest of the world.

**IMPORTANT**
